CR 210 Bituminous Surfacing
MnDOT Contract Number 1037009

Dear Mr. Sanders:

Attached is a copy of the agency agreement between Polk County and MnDOT, which allows for MnDOT to act as Polk County's agent in accepting federal aid in connection with the above referenced project.

The Minnesota Tort Claims Act, Minnesota Statutes Section 3.736, governs MnDOT liability.

The Local Government will take timely and appropriate action on all deficiencies identified by an audit.
- 9.2. All requests for reimbursement are subject to audit, at MnDOT's discretion. The cost principles outlined in 2 CFR 200.400-.475 will be used to determine whether costs are eligible for reimbursement under this agreement.
- 9.3. If Local Government expends \$750,000 or more in Federal Funds during the Local Government's fiscal year, the Local Government must have a single audit or program specific audit conducted in accordance with 2 CFR Part 200.

10. Government Data Practices. The Local Government and MnDOT must comply with the Minnesota Government Data Practices Act, [Minn. Stat. Ch. 13](#), as it applies to all data provided by MnDOT under this agreement, and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Local Government under this agreement. The civil remedies of [Minn. Stat. §13.08](#) apply to the release of the data referred to in this clause by either the Local Government or MnDOT.

11. Workers Compensation. The Local Government certifies that it is in compliance with [Minn. Stat. §176.181](#), Subd. 2, pertaining to workers' compensation insurance coverage. The Local Government's employees and agents will not be considered MnDOT employees. Any claims that may arise under the Minnesota Workers' Compensation Act on behalf of these employees and any claims made by any third party as a consequence of any act or omission on the part of these employees are in no way MnDOT's obligation or responsibility.

12. Governing Law, Jurisdiction, and Venue. Minnesota law, without regard to its choice-of-law provisions, governs this agreement. Venue for all legal proceedings out of this agreement, or its breach, must be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

13. Termination; Suspension

- 13.1. **Termination by MnDOT.** MnDOT may terminate this agreement with or without cause, upon 30 days written notice to the Local Government. Upon termination, the Local Government will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed.
- 13.2. **Termination for Cause.** MnDOT may immediately terminate this agreement if MnDOT finds that there has been a failure to comply with the provisions of this agreement, that reasonable progress has not been made, that fraudulent or wasteful activity has occurred, that the Local Government has been convicted of a criminal offense relating to a state agreement, or that the purposes for which the funds were granted have not been or will not be fulfilled. MnDOT may take action to protect the interests of MnDOT of Minnesota, including the refusal to disburse additional funds and requiring the return of all or part of the funds already disbursed.
- 13.3. **Termination for Insufficient Funding.** MnDOT may immediately terminate this agreement if:
 - 13.3.1. Funding is not obtained from the Minnesota Legislature; or
 - 13.3.2. Funding cannot be continued at a level sufficient to allow for the payment of the services covered here. Termination must be by written or fax notice to the Local Government. MnDOT is not

obligated to pay for any services that are provided after notice and effective date of termination. However, the Local Government will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. MnDOT will not be assessed any penalty if the agreement is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds. MnDOT will provide the Local Government notice of the lack of funding within a reasonable time of MnDOT's receiving that notice.

- 13.4. **Suspension.** MnDOT may immediately suspend this agreement in the event of a total or partial government shutdown due to the failure to have an approved budget by the legal deadline. Work performed by the Local Government during a period of suspension will be deemed unauthorized and undertaken at risk of non-payment.
14. **Data Disclosure.** Under [Minn. Stat. § 270C.65](#), Subd. 3, and other applicable law, the Local Government consents to disclosure of its social security number, federal employer tax identification number, and/or Minnesota tax identification number, already provided to MnDOT, to federal and state tax agencies and state personnel involved in the payment of state obligations. These identification numbers may be used in the enforcement of federal and state tax laws which could result in action requiring the Local Government to file state tax returns and pay delinquent state tax liabilities, if any.
15. **Fund Use Prohibited.** The Local Government will not utilize any funds received pursuant to this Agreement to compensate, either directly or indirectly, any contractor, corporation, partnership, or business, however organized, which is disqualified or debarred from entering into or receiving a State contract. This restriction applies regardless of whether the disqualified or debarred party acts in the capacity of a general contractor, a subcontractor, or as an equipment or material supplier. This restriction does not prevent the Local Government from utilizing these funds to pay any party who might be disqualified or debarred after the Local Government's contract award on this Project.
16. **Discrimination Prohibited by Minnesota Statutes §181.59.** The Local Government will comply with the provisions of Minnesota Statutes §181.59 which requires that every contract for or on behalf of the State of Minnesota, or any county, city, town, township, school, school district or any other district in the state, for materials, supplies or construction will contain provisions by which Contractor agrees: 1) That, in the hiring of common or skilled labor for the performance of any work under any contract, or any subcontract, no Contractor, material supplier or vendor, will, by reason of race, creed or color, discriminate against the person or persons who are citizens of the United States or resident aliens who are qualified and available to perform the work to which the employment relates; 2) That no Contractor, material supplier, or vendor, will, in any manner, discriminate against, or intimidate, or prevent the employment of any person or persons identified in clause 1 of this section, or on being hired, prevent or conspire to prevent, the person or persons from the performance of work under any contract on account of race, creed or color; 3) That a violation of this section is a misdemeanor; and 4) That this contract may be canceled or terminated by the state of Minnesota, or any county, city, town, township, school, school district or any other person authorized to contracts for employment, and all money due, or to become due under the contract, may be forfeited for a second or any subsequent violation of the terms or conditions of this Agreement.
17. **Appendix II 2 CFR Part 200 Federal Contract Clauses.** The Local Government agrees to comply with the following federal requirements as identified in 2 CFR 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, and agrees to pass through these requirements to its subcontractors and third party contractors, as applicable. In addition, the Local Government shall have the same meaning as "Contractor" in the federal requirements listed below.
- 17.1.1. **Remedies.** Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach

contract terms, and provide for such sanctions and penalties as appropriate.

- 17.1.2. **Termination.** All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.
- 17.1.3. **Equal Employment Opportunity.** Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”
- 17.1.4. **Davis-Bacon Act, as amended.** (40 U.S.C. 3141-3148) When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.
- 17.1.5. **Contract Work Hours and Safety Standards Act.** (40 U.S.C. 3701-3708) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- 17.1.6. **Rights to Inventions Made Under a Contract or Agreement.** If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research

work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

17.1.7. Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended. Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued under the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

17.1.8. Debarment and Suspension. (Executive Orders 12549 and 12689) A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

17.1.9. Byrd Anti-Lobbying Amendment. (31 U.S.C. 1352) Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

17.1.10. Procurement of Recovered Materials. See 2 CFR 200.322 Procurement of Recovered Materials.

17.2. Drug-Free Workplace. In accordance with 2 C.F.R. § 32.400, the Local Government will comply with the Drug-Free Workplace requirements under subpart B of 49 C.F.R. Part 32.

17.3. Nondiscrimination. The Local Government hereby agrees that, as a condition of receiving any Federal financial assistance under this agreement, it will comply with Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. § 2000d), related nondiscrimination statutes (i.e., 23 U.S.C. § 324, Section 504 of the Rehabilitation Act of 1973 as amended, and the Age Discrimination Act of 1975), and applicable regulatory requirements to the end that no person in the United States shall, on the grounds of race, color, national origin, sex, handicap, or age be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity for which the Local Government receives Federal financial assistance. The specific requirements of the Department of Transportation Civil Rights assurances (required by 49 C.F.R. §§ 21.7 and 27.9) are incorporated in the agreement.

17.4. Federal Funding Accountability and Transparency Act (FFATA).

17.4.1. This Agreement requires the Local Government to provide supplies and/or services that are funded in whole or in part by federal funds that are subject to FFATA. The Local Government is responsible for ensuring that all applicable requirements, including but not limited to those set forth herein, of FFATA are met and that the Local Government provides information to the MnDOT as required.

a. Reporting of Total Compensation of the Local Government’s Executives.

- b. The Local Government shall report the names and total compensation of each of its five most highly compensated executives for the Local Government's preceding completed fiscal year, if in the Local Government's preceding fiscal year it received:
- i. 80 percent or more of the Local Government's annual gross revenues from Federal procurement contracts and Federal financial assistance subject to the Transparency Act, as defined at 2 CFR 170.320 (and subawards); and
 - ii. \$25,000,000 or more in annual gross revenues from Federal procurement contracts (and subcontracts), and Federal financial assistance subject to the Transparency Act (and subawards); and
 - iii. The public does not have access to information about the compensation of the executives through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986. (To determine if the public has access to the compensation information, see the U.S. Security and Exchange Commission total compensation filings at <http://www.sec.gov/answers/excomp.htm>.)

Executive means officers, managing partners, or any other employees in management positions.

- c. Total compensation means the cash and noncash dollar value earned by the executive during the Local Government's preceding fiscal year and includes the following (for more information see 17 CFR 229.402(c)(2)):
- i. Salary and bonus.
 - ii. Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), Shared Based Payments.
 - iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.
 - iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.
 - v. Above-market earnings on deferred compensation which is not tax qualified.
- 17.4.2. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds \$10,000.
- 17.4.3. The Local Government must report executive total compensation described above to the MnDOT by the end of the month during which this agreement is awarded.
- 17.4.4. The Local Government will obtain a Data Universal Numbering System (DUNS) number and maintain its DUNS number for the term of this agreement. This number shall be provided to MnDOT on the plan review checklist submitted with the plans for each project. More information about obtaining a DUNS Number can be found at: <http://fedgov.dnb.com/webform/>
- 17.4.5. The Local Government's failure to comply with the above requirements is a material breach of this agreement for which the MnDOT may terminate this agreement for cause. The MnDOT will not be

obligated to pay any outstanding invoice received from the Local Government unless and until the Local Government is in full compliance with the above requirements.
