The screenshot displays the 'Driver & Vehicle Services' section of the MNDriveInfo.org website. On the left is a vertical navigation menu with the following items: MNDriveInfo.org (Home), DVS News, DVS Resources, Online Services (with sub-links for DL Status, Renew Tabs, Base Values, Exam Scheduling, Tax Info, and more...), and Information (with sub-links for Office Locations, License Plate Info, Forms, Manuals, Report an Accident, and Contact Us). The main content area features a graphic of a winding road with several service icons: Vehicle Services, DL Status, Driver Education, Driver's License Service, Renew Tabs, Tax Info, and Exam Schedule. A disclaimer at the bottom states: 'DVS collects and maintains electronic access data. This data may be used and disseminated for the purpose of evaluating electronic government services; to prevent unlawful intrusions into government electronic systems; or as otherwise provided by law. Further, the State of Minnesota prohibits unauthorized access, disclosure, duplication, modification, diversion, destruction, loss, misuse, or theft of its information in accordance with the Minnesota Statutes Sections 609.87 - 609.891.'
