

ATTENTION DRIVERS LICENSE RECORDS REQUESTS

As of August 1, 2008, the Polk County Sheriff's Office will no longer be able to process Driver's License Record requests. The public must now contact the Department of Public Safety for this information.

If the status of the license is the only information needed (is license valid, suspended, etc) you may go to the DVS public web site www.mndriverinfo.org or call 651-284-2000 for that information.

If a copy of a complete record is needed (history of all violations received) complete the Driver's License Records Request form and mail it to the address on the form.

Informational sheet and request form are in the wall file below. If you have any questions, please contact the DVS office directly at 651-215-1335.

We apologize for any inconvenience this new policy may cause.

Thank You

Polk County Sheriff's Office
